

# ANDERSONS to CANTABRIA, *Spain*

Abby and Ryan

We are grateful for your continued prayers, encouragement, and faithful support. The past two months have been full of special moments, ministry growth, and clear reminders of God's provision.

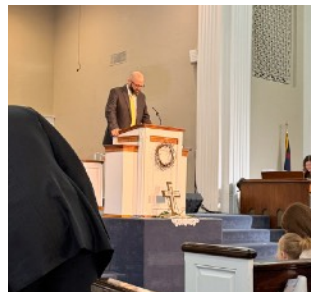

One of the greatest blessings for our family recently was the opportunity to travel back to Ohio for our daughter Abby's wedding. It was a beautiful event, and I had the privilege of officiating the ceremony — something I will always treasure. Abby's husband, Ryan, is a wonderful Christian man, and we are truly thankful to welcome him into our family. During our time back, we were also able to visit with parents, children, and grandchildren, making the trip even more meaningful. We were encouraged as well to attend Easter services at Grace Baptist Church in Akron.

Here on the field, we are seeing steady and exciting growth. Our men's small group continues to expand, with 13 men attending last week. With new visitors joining regularly, we are considering starting an additional group so that everyone can participate more fully. In addition, the team has recently launched another ladies' small group, which is already proving to be a blessing.

We have also been encouraged by an increase in visitors at our church services. It is always a joy when people inquire about the ministry and then return the following Sunday. Recently, a family from just down the street visited a service, and the father and sons even joined the men's small group that same week. Moments like these remind us of how God is working in hearts and drawing people to Himself.

We are also thankful to report progress toward purchasing our first church property. We are now over halfway to raising the necessary funds. At this point, we are waiting on the local government to complete survey work so we can move forward with the contract process. We ask for your continued prayers that the remaining funds will come in soon and that everything will proceed smoothly.

## Prayer Requests

- Spiritual growth of the believers here and salvation for those who do not yet know Christ
- Provision of the remaining building funds
- Resolution of visa issues for our teammates, the Gaona family

Thank you again for standing with us in prayer and support. We are continually encouraged knowing we are not serving alone, but together with you for the work of the Gospel.
