

ANDERSONS to CANTABRIA, *Spain*

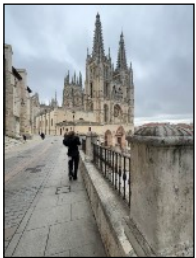

The Gaona Family

We are happy to welcome 2025 and all that God has in store for the church plant in Santander, Spain. We are so excited to tell you of two families that will be moving here this year to be a part of our team. Please be in prayer for the Gaona and the Perez families as they are preparing to arrive this summer. This is exciting for us and the ministry in many ways but particularly in creating more opportunities for more connections, more seeds to be planted and to have a larger community for our families.

Girl's Retreat to Burgos,
Spain

Here is a little update of the last two months ...

In January we were able to get together with a few families and neighbor kids to have a couple of pizza and game nights. Any chance we have to open our home or spend time with the people around us we take it. We are beginning to notice more of a curiosity as to why we are here and what we are doing. We still have to be mindful how to approach this but God is using us and we are starting to see little seedlings pop up. We ask that you pray with us for these conversations, friendships and even game nights. We really need the Holy Spirit to go before us and soften hearts and prepare them. Pray they would see a spiritual need in their lives and understand that we love them because of our love for Jesus.

February brought with it a new month AND the flu. We were all three hit hard but, thankfully we are on the other side of it and doing much better! Katie and Faith were able to take a short ladies retreat trip to Burgos, Spain with another missionary family. It was a good time to just be encouraged by other christian ladies.

This past month we have spent a lot of time trying to get our visas renewed. It has been quite a challenge, between immigration lawyers, paperwork, translations and changes in governmental requirements. We have been in this process since June 2024. However, today (March 4th) we received news that my (Bret) visa has been renewed! We are currently waiting on Katie's and Faith's. Please keep this in prayer.
