CHURCH PLANTING MISSIONARIES IN ECUADOR

KASON, BETHANY, JAXON, NOAH, MACKAYLA & RYLIE

January Prayer Letter

We are thankful for all that God has done over the past month of December and are encouraged by how He continues to work at Iglesia Bautista Libertad. Below are a few highlights from the month.

In December, we had a baptism service with four individuals from our church who took this important step of obedience in their walk with the Lord. Two of those baptized were new to the church and had recently completed discipleship, while another had been attending Libertad for several years and recently decided to be baptized according to Scripture. It was a joy to witness these testimonies and see God at work in their lives.

We also celebrated the Christmas season with several special services. Two of the ladies in the church organized a Christmas play with the children of the church, and it was a blessing to see that and everyone who was involved in that ministry

We are thankful for what God is doing at Libertad. Our average Sunday attendance in December was 128, which continues to encourage us.

We are especially thankful for Pastor Marcelo, who has served as a pastor at Libertad for the past two years. He recently completed his seminary studies, and we celebrated this milestone with a special service.

Looking ahead, we are excited about Project Hope and the plans to plant another church in Quito in 2027. We are seeking to raise \$150,000 to cover the first two years of ministry costs and to purchase property for a permanent church home. We are also thankful to be back on furlough in 2026, allowing us to report to our supporters and raise funds for Project Hope. Thank you for your continued prayers and support as we serve in Ecuador.
