Updates

Asher had his one-year follow-up MRI in Nairobi, Kenya, on February 16, and they gave him the "all clear!" He has no more concerns other than keeping his legs stretched! While in Kenya, we enjoyed visiting missionary friends we had not seen in about 10 years. We were encouraged by their ministries and hearing what God has done there over the years.

At our church plant here in Diego, some of the young men we have trained ministered by preaching and teaching in our absence (three Sundays). It was encouraging to see the believers here gain confidence in the gifts and service God has given them.

God allowed all major construction on the church property to be concluded before we went to Kenya. That was a big step completed, and everyone is excited and grateful for your prayers and giving to help accomplish that. It seems there will always be minor finishing work left to do, but all when God brings it together.

Be Praying For

We have been leading four believers in studying the Bible about salvation and baptism. One was overjoyed to be baptized in February, and Lord willing, two more will be baptized this Easter Sunday. We have invited the families of those being baptized, as well as the surrounding neighborhoods, to the Easter and baptism services. Please pray for our little group of believers as we minister, and for open hearts to accept God's Word!

Please pray for the newly baptized believers that God will keep them growing in strength as they witness to their communities. Please carry another lady in prayer — she is very faithful and eager to learn God's Word and has a clear testimony of salvation. She wants to be baptized, but has some tough decisions to make regarding obedience to God's Word. Pray for her to know God's wisdom and strength to follow His will, for God to change the hearts of her family, and to guard and guide their three little kids. Pray for wisdom as we talk with them and teach them.

Thank You

...for praying and giving. We are grateful for your labor together with us, and think of you and pray for you often.

Wishing you an Easter rejoicing in victory! *Philippians 3*
