Welcome to 2026! As in previous years, January is one of our busiest months due to all the preparation we must do for VBS and homeschool. Here are some additional highlights from the previous month.

We arrived back in Peru on the 21st and were welcomed with the summer heat. Days before, we experienced temperatures in the teens and started shedding layers in the airport to help us adjust to 80-degree temps. The next day, we went out and bought additional fans and portable air conditioners, since the new apartment had neither. Thankfully, the air does flow well, which helps us during the day.

At the church, we held several workdays in preparation for VBS. We

replaced another square of concrete under the large canopy for safety reasons. In addition to the Bible club that meets every Saturday, we are also partnering with Ambassadors to hold soccer clinics. The uneven surfaces can promote accidents and make it difficult to perform other activities. We also need to put netting around the area and pad the posts. If you would like to contribute to that need, please send that to our Gospel Light GLM International address.

We purchased the projectors for both the mission Santa Rosa and the church. Because of the amount given, and the offer we received, both ministries were able to receive a blessing. With that purchase, all funds received have been spent for the mission. We commit ourselves to be both financially responsible and transparent to our supporters.

On the 26th, Stacy began teaching for a second seminary, this one in Peru. For the next six weeks, he will be teaching organizational finance to help both pastors and Christian leaders. He has 3 more classes already scheduled with the seminary in Chile.

Please continue to pray for Tim and Kathryn as the arrival of their son is drawing near. They are doing major renovations to the basement since the third bedroom upstairs will be converted into another nursery.

Matt received a promotion and a nice raise, as the Lord continues to provide for them so that Naomi can keep being an awesome mom to Weston.

Hannah's husband Matt recently passed his real estate exam in Florida, and Hannah's business is experiencing great success. Beka and Jacob are also doing great in their work for the court system and as a first responder.

Thank you for your faithful prayer and financial support.

Until the Nets are Full,
