Katie, Joshua, Andrew

Chile Church Planter & Latin America Director for VBM

Serving Since 2001

Our 14th Graduation at the Chile Baptist College

This year, 19 students graduated from one of our programs at the Chile Baptist College! Pictured here is Sergio Núñez. He is leading a church plant that held its first service on December 7th. Each of our students serves in local church ministries. Several, like Sergio, are leading church plants. Pray for each of the graduates.

Church Property Needed in Vallenar

Over the past couple of months, we have shared about the need for church property in Vallenar for Huasco Valley Baptist Church. Pictured here is a table from the international banquet at their recent missions conference. I am always encouraged to see young churches with a heart for supporting missionaries and reaching the world with the gospel!

The church has outgrown its current space. **We are praying that God will provide \$80,000 to purchase land for this church plant.** Please pray with us about this need, and consider giving. If God leads you to partner with this church, you can send your gift to: Vision Baptist Missions, PO Box 647, Dawsonville, GA 30534, Memo: *Chile Church Planting Vallenar*, or give online at visionmissions.com/project-detail/chile-church-planting.

A Few Highlights from 2025

- On the family front, this year included two important milestones and one miracle. First, Andrew, our youngest son, turned 18 and moved back to the States at the beginning of the year. Second, in July, our daughter Katie married Hinson Baggiano Wilson. They moved to Texas, where Hinson is serving as a youth pastor. The miracle came in June, when Andrew suffered a traumatic brain injury with significant hearing loss. Several weeks later, a doctor told us there was no medical explanation for how he recovered so quickly and thoroughly. To God be the glory!
- By God's grace, three new churches were planted in 2025. Each of these churches is being led by a Chilean pastor. Lord willing, we expect to celebrate another church launch in the first quarter of 2026.
- We launched a new hybrid program at the Chile Baptist College, offering both online and in-person classes, with a record enrollment of 188 students.
- We had the opportunity to speak and serve in 25 different churches, three missionary retreats (in North America, South America, and Asia), a survey trip to Brazil, and multiple camps, retreats, and conferences in Chile. In addition, Lori and I both taught Bible college classes.
- Lastly, many of you may remember that Liberty Baptist Church was forced off its property in 2023. After many months of legal issues, we ended the year with the official sale of the property. We are excited to see where God leads us in 2026. Please pray that God will guide us as we look for a new property to purchase.
