And the things that thou hast heard of me among many witnesses, the same commit thou to faithful men, who shall be able to teach others also. II Timothy 2:2

Greetings!

We are in full blown "getting prepared to go on furlough" mode. We have a remarkable lot of work to be done to get ready to leave our house for several months. Anna and I both have our lists, and you just keep doing the next thing until you reach the end, climb on a plane, and begin the long flight back to the States.

RUMBLE

We have several key life events taking place this year. Elizabeth and Gaelin are graduating college. Right after that, Elizabeth will be marrying our soon to be son-in-law Joseph Rosnick. Plus, our new grandson will be having his first birthday this year.

This furlough will get us back on track since COVID messed everything up. Pray for us in the months ahead as we travel hither and yon, for safety and for good health, both for ourselves and for our aged Honda Pilot.

Our year is pretty well fully booked with meetings in the Spring and Fall. If you have other times you'd like us to come, let me know and I'll see what we can work out.

TRUTH

The construction of our Sangano Independent Baptist Church facilities is proceeding rapidly. The school buildings are all complete. They are making good progress on the sanctuary and baptistry. Pray that the work will proceed well, and for the safety of our workers.

Pretty soon, all construction projects will, for the moment, be complete. That is a big answer to prayer and a long time coming.

Pray for Sangano Independent Baptist Church. I discovered that one of our deacons, a good friend, and the headmaster of our school, was leading a sinful double life. He had been drinking, sometimes coming to work drunk, and had been seen visiting prostitutes. Plus, he was abusing his place as headmaster, and it seems, misusing funds. As of right now, he is unrepentant. He is now no longer a deacon, or a headmaster, or a member of this church.

I also chose to close the school for the foreseeable future. I always said that if the school ever became a problem for the church, I would close the school, and because of this man, it had become a problem. So, the school is now closed. We still have the fully restored buildings which will continue to serve as a library, and extra Sunday School classes.

Pray for Sangano IBC as they work through the fallout of this recent challenge. It is never pleasant to have to discipline people, but when they give you no options, you have to take action. You cannot cover sin.

The Sangano church people have risen to the challenges given them. They have redoubled their soul-winning and visitation, and are serving faithfully in the church. They have planted crops in the field connected to the church property. God will build His church. Please pray for His people not to be discouraged.

God bless you!
