Dear Pastor and Church,

Despite some heavy rain Easter Sunday morning, we still enjoyed celebrating the risen Savior together as a church family. Our children's choir sang in the morning service, and the Lord sent us three visitors. One of them was a repeat visitor, who brought along her granddaughter and great-grandson. This past Sunday, she [Joanna] returned with her daughter, who had visited back in December. We are praying that she might become a regular attender, and that we would be able to reach her family as well.

Last week we were contacted by another family who had questions regarding the church after looking at our facebook page and website. We are praying that their interest in FBBC will lead to a visit soon!

OUTREACH

We continue to try to reach Fluvanna County with the good news of the gospel. In the last week of March, we went out as a church family after the Sunday morning service for a door hanger blitz, carrying tracts and invitations for Easter. In this past month, hundreds of postcards have been mailed to addresses that are inaccessible for door-to-door visiting. Too, we are excited about help from Albemarle Baptist Church this coming Saturday, April 18; they are sending a group of teens to help us reach a larger portion of the county. We are so grateful for extra hands and feet! Please pray that God will bless their efforts—that souls might be saved and that we might see growth at FBBC.

Back in 2024, a group of teens from Temple Baptist in Dulles came for the weekend and helped us reach a large number of homes.

From that effort, the Lord sent an Army family who have been faithful ever since. In 2025, the father of the family was saved, baptized, and disciplined. Unfortunately (for us), he is being redeployed to Alabama this summer. We will sorely miss them! Please pray for them to find a good Bible-believing church home where they can grow and serve, and please pray that God will send a replacement to us. When they

came in 2024, they were a direct result of fervent prayer by our children that the Lord would send children to FBBC, as another family with children who had been attending had moved to Buffalo, New York.

UPCOMING EVENTS

On May 3, we will have Foundations Sunday to celebrate three years of Sunday services, with special music, preaching, and lunch to follow the service. Pray for us this month as we hand out invitations, that the Lord would send us visitors for that special day, people who need to hear the gospel and be saved, and those needing a good, Bible-believing church home.

On a personal note, will you please pray for our vehicle situation? One of our vehicles is aging (over 300K miles), while the other is spending more time in the shop recently than we expected. We are currently considering whether it would be cheaper to replace one of them with something more reliable, and perhaps larger, to give us more room to transport people to church as needed. But, we hope to avoid a car payment. Please pray with us about the Lord's will in this matter.

Thank you for your prayers and support for the work God is doing here in Fluvanna Co.,

Virginia.

In His service,
Scot and Julie Jobe
