Dear Pastor and Church,

In January, Scot attended a church planting conference in Oklahoma City, Oklahoma. We were thankful for safe travel, the fellowship at the conference, and encouragement in the Word. On the drive home, Scot was able to stop in to see his grandmother, Nonnie. As she lives sixteen hours away in Oklahoma, we had not seen her since last June. We are so thankful for God's timing in letting him see her again, because she passed away just two weeks after his visit. His grandmother had been on our church prayer list for years for salvation. Shortly before her death, she accepted Christ as Savior at age 93. We rejoice in knowing that we will see her again one day! This past week we traveled as a family to Oklahoma for the funeral, and again we are so thankful for safe travel, as we had several close calls in heavy traffic.

Despite the snowy weather and the trips to Oklahoma limiting our doorknocking in recent weeks, we were still able to get the gospel out to about 550 houses this past month through mail and some visitation between storms. In addition to sending postcards to inaccessible houses in Fluvanna, we have also begun sending them to new move-ins. The post cards include an invitation to visit the church and come with a QR code that sends people directly to a gospel presentation on our website.

In 2026, we have begun doorknocking areas outside the county to the east and south of the church. Please pray that the Lord will bless our visitation with opportunities to present the gospel, as well as contacts with people who need a good church home.

Our annual Love Your Neighbor Sunday will be held on Sunday, March 1 this year. This day has usually been one of most well-attended Sundays of the year, as we focus on inviting friends, neighbors, and the community. In addition to door-to-door visits and postcard invitations, we will be advertising on social media and reaching out to those who have visited in the last year. Please pray for our preparations for this special day, and for visitors to attend to hear the gospel.

On February 9, the Bachs, missionaries to British Columbia, came to FBBC to present their burden. Bro. Johnathan preached in the morning and evening services, and we enjoyed the fellowship with them. Our new nursery space was helpful for the youngest of their children!

We so appreciate your continued prayers and support for the work God is doing here. Thank you for “striving together with us” as we continue to get the gospel out in Fluvanna County.

In His service,
Scot and Julie Jobe
