Dear Pastor and Church,

After our missions month in November, we took up faith promise commitment cards in December. The first week of January we voted to take on both missionary families that presented their fields during the missions month. We are excited to see FBBC taking this next step in growth!

We had a wonderful Candlelight and Carols service in December, with quite a few visitors. Over the last couple of weeks, we have been following up with those who visited, and this past Sunday we were glad to see one of those visitors attend our Sunday morning service. Please pray that, if the Lord wills, she will continue to attend and grow at FBBC.

The newly rented space for the kids is such a blessing! Their previous location right beside the preaching service meant that the kids always needed to try to remain quiet during the preaching. They have very much enjoyed being able to sing without needing to keep their voices quiet! This also allows us to have a dedicated nursery for the first time. Previously, our nursery and kids' class had to meet in the same room, which was less than ideal. We are so grateful that the Lord provided this extra space and pray that He will also send families with little ones to fill the nursery.

The week of January 11, Scot will be traveling to Oklahoma City in order to attend the Home Missions & Church Planting Conference at Heartland Baptist Bible College. Please pray for

safety for him as he travels, for encouragement in the Word, and for additional support.

We were delighted to move our Sunday evening service on January 4 to Albemarle Baptist in Charlottesville so that we could have a baptismal service. Our son, Caleb, was saved on December 16. His birthday, January 4, was doubly special as he followed the Lord in baptism that evening. What a blessing and answer to prayer! Please pray for his spiritual growth.

As we start the new year, we are reminded of God's goodness to us in 2025. He worked in circumstances to move us to a building to rent. Matt was saved, faithfully attended discipleship throughout the summer, and has taken on new duties in serving in the church. Thousands of tracts were given out during outreach at local events and from door-to-door, and we have been protected through many miles traveled while on visitation. In addition, we are so grateful for the prayer and financial support from our supporting churches. Truly, God has been so good to us.

The theme for 2026 for FBBC comes from II Peter 3:18, "But grow in grace, and in the knowledge of our Lord and Saviour Jesus Christ. To Him be glory both now and for ever. Amen." As we start this new year, we pray that as individuals and as a church that we will grow in grace, that we will know Him more, and that He will get all the glory for what is done.

In His service,
Scot and Julie Jobe
