Dear Pastor and Church,

On March 1, we held our annual Love Your Neighbor Sunday and enjoyed good fellowship, good preaching, and good food. Our children's choir sang, and Scot preached from Mark 12 on "The Big Three"--that the Lord our God is one Lord, that we should love the Lord with all our heart, soul, mind, and strength, and that we should love our neighbor as ourself. While we did not exceed any previous attendance record, the day was a sweet time in the Lord's house. That morning, some kids were hanging out near the strip of offices behind the building while their dad was getting his hair cut at the barber shop. Julie had the opportunity to talk to them and invite them to church as the church kids walked to their class. Pray that we might see these kids, as well as the new neighbors beside the church, visit soon.

### **Provision**

We are so thankful for the churches that faithfully give each month to support the church plant; we do not take that support lightly and we thank God for you all! This past month, we saw God's blessing as two churches increased their monthly support. Too, a few one-time gifts were given, which helped with buying some of the postage needed for mailings. Praise the Lord for people who give faithfully to see the gospel go out!

### **Evangelism**

So far this year we have reached about 1200 homes. About 5600 homes in Fluvanna are

inaccessible to us either due to gated communities, no trespassing signs, or such. For those homes, we are again sending out mailings. In 2024 we mailed John and Romans in packets to many of these homes; in 2026 we are sending postcards as a more cost-effective way of reaching out. In addition, we continue to doorknock to invite people and share the gospel. Recently we have begun doorknocking up to about 10 miles east of the church, over the Fluvanna County line into Goochland County. Please pray with us for open doors and hearts as we meet people and share the gospel with them, and that the Lord will build his church here in Fluvanna County.

We have already started putting out invitations to Resurrection Sunday and have a church-wide gospel delivery planned for after the morning service on March 29. We are specifically praying for return visitors and new visitors for that day. Another upcoming special day is the anniversary of our first service, called Foundations Day, in early May.

Scot has been blessed to have a steady visitation partner, a man from our sending church, for a couple of years. He has been such a blessing, but is unable to continue. While we visit weekly as a family, it is also helpful for Scot to have a man to go out with him on days while Julie and the kids are doing school. Please pray that the Lord might provide another visitation partner for Scot.

We so appreciate your continued prayers and support for the work God is doing here. Thank you for "striving together with us" as we continue to get the gospel out in Fluvanna County.

In His service,  
Scot and Julie Jobe
