Dear Pastor and Church,

On Saturday, April 18, we arrived at the church and found a surprise: the glass on one of the back doors was spider-webbed completely. Our children thought it was a neat design, but we were rather disturbed, as we tried to figure out when and how it had happened. When we reached out to our landlord to inform him about the damage, we discovered that he already knew. A rock had been thrown while the landscaping crew were mowing. It has taken awhile, but the door is due to be repaired on May 12, at no cost to the church..

That same Saturday a group of teens from Albemarle Baptist Church came out to help us on visitation. They spent all Saturday morning walking (and running) to hang doorhangers, inviting the community to Foundations Sunday on May 3. We so appreciated the help and fellowship! Scot had the opportunity that day to present the gospel to a young man named Benjamin, who recognized that he was lost but was not ready to get saved. Pray that he would be convicted of his need for a Savior.

Later in the month, on the 26th, after the morning service, our church family went out to deliver more invitations to the special Sunday. In total, we were able to get out about 1,000 invitations to doors and about 600 postcards in mailings to homes.

On May 3, we celebrated Foundations Sunday, the anniversary of our first Sunday service

held in May of 2023. That first service was held at the conference room of the public library. What a blessing to remember the people God sent that first service, and to see what He has done in moving us into a permanent building and sending people to FBBC! Our attendance was the highest since our Love Your Neighbor Sunday last July, with several first-time visitors and quite a few returning visitors. We were also blessed to have Pastor and Mrs. MacAvoy visit for the day. They were such a blessing in helping welcome the visitors and in cleaning up after the meal! Joanna, who has been visiting since Christmas, brought a friend and several family members, including a pair of toddler-aged great-grandchildren! During the invitation, two of the visitors raised their hands that they were unsaved, but did not come forward. Please pray for us as we follow up with these visitors in the coming weeks.

Please pray for us as we will be holding our first full VBS at FBBC in June. Please also join us in praying for these upcoming outreaches: the Fluvanna County Fair booth in August, Fork Union Day in mid-September, and the Kids' Bible Adventure/Day at the Park on the last Saturday of September.

Thank you for your prayers and support for the work God is doing here in Fluvanna Co., Virginia.

In His service,
Scot and Julie Jobe
