Church Planting In Paraguay

## April 2026

### Furlough Travels

We are so thankful for the special time the Lord has given us this month as we visited several of our supporting churches. We had the opportunity to travel to Virginia, Georgia, and North Carolina, sharing updates on how God has been working in and through our lives over the past two years. We are deeply grateful for each of you who faithfully pray for and support our ministry. Please continue to pray for us as we travel over the next two months in anticipation of our baby's arrival.

### Marriage Retreats

This month, we also had the privilege of attending two marriage retreats—one at our home church and one at Lauren's dad's church. These were special times for us to sit under biblical teaching, grow together, and strengthen our marriage. Furlough has truly been a refreshing season, allowing us to be poured into through preaching and teaching as we prepare for the ministry ahead.

### Family Time

Our travels have also given us many sweet opportunities to spend time with family. We are enjoying each moment. At the end of the month, my family hosted a baby shower to celebrate and welcome our baby boy, Shepherd. We are eagerly anticipating his arrival in June, and our families share in that excitement!

In Christ,  
Robbie & Lauren Prater
