Church Planting In Paraguay

## February 2026

### Finishing Up Discipleships

As many of you know, one of our main focuses during our time in Argentina has been investing in the teenagers of the church. It has been such a joy to see seven teenagers accept Christ as their personal Savior over the past two years! Last month, Lauren and I both had the privilege of finishing discipleship with two of these teens. Please pray for their continued growth in the days ahead!

### Last Month in Argentina

We can hardly believe that our two years in Argentina have come to a close. We have thoroughly enjoyed learning under the Henry family at Iglesia Bautista Esperanza. This past month has been filled with packing and preparing for furlough. Please pray for us as we say goodbye to many dear friends here and as we fly to America on February 3rd.

### Growing Our Family.

We are excited to announce that we are expecting the arrival of our first baby boy in June! The Lord has answered so many prayers, and we feel incredibly blessed to be his parents. Please pray for Lauren to have a healthy pregnancy and delivery. We also ask for prayer as we transition from seeing doctors here to establishing care and appointments in the States.

In Christ,  
Robbie & Lauren Prater
