Church Planting In Paraguay

## March 2026

### Arriving in the States

This past month has been very busy with visiting churches, getting things set up, and spending time with family. Thank you to all of you who prayed for our transition to furlough. We praise the Lord that Lauren was able to transfer her care to a doctor here in the States! Please continue to pray for her and the baby as she soon enters the third trimester.

### Visiting Churches

During February, we were privileged to visit our home church, a supporting church, and two new churches. It was such an encouragement to catch up with dear friends as well as meet new faces. On our first Sunday back, I was privileged to preach and present at our sending church, Lighthouse Baptist Church in Jackson. We are so thankful for how they faithfully support and encourage us on the field.

### Passing Our Language Tests

This month, we completed the final of five tests required to finish our first term on the field. It was exciting to see the level of Spanish fluency the Lord has allowed us to develop, and it is encouraging as we look toward our next step. The past two years have been foundational in preparing us for ministry in Paraguay. Please pray with us that God would give us opportunities, both in Spanish and English, to continue sharing the gospel while we are in the States.

In Christ,  
Robbie & Lauren Prater

### Prayer Requests

- For Lauren and the baby
- Praise the Lord for the churches who faithfully support us
- Praise for passing our language tests
