

The WRITSEL To SPAIN Family

Birthday Month: Larry 11/26

Dear Pastors, Family and Friends,

November 2025

“Through mighty signs and wonders, by the power of the Spirit of God; so that from Jerusalem, and round about unto Illyricum, I have fully preached the gospel of Christ. Yea, so have I strived to preach the gospel, not where Christ was named, lest I should build upon another man's foundation:” (Romans 15:19-20)

Our hearts desire is to preach the gospel in Leon, and to see a new church planted for our Saviour. We pray for God's timing and his provisions every night when it comes to this new work. We are scheduling our furlough right now. We will be in the states from May 2026 to October 2026. During this time we will be presenting what we believe God has planned for us in Leon, as well as updating all God has done so far. If you would like more information about where we will be in each month, please call, message or email Larry. We use WhatsApp for all calls and messages because it is a free service. Our email is reachingspain4him@gmail.com.

Ministry:

We have continued the work with the young people in Fuenlabrada. Many seeds have been planted, and we pray for that seed to begin working in their lives and bring them to church someday. We have seen a few walk by the windows during services and stop and wave, but we look forward to the day they stop and enter. Pray God will convict them and bring them in.

We celebrated the Lord's supper this month. Larry was privileged to preach the morning service. We have a new family from Venezuela that has recently arrived in Spain. Brother Ramon Guzman and his family felt the call to move to Spain and help with church plants. We are privileged to have them serving with us. He taught the Sunday school class, while Pastor Jhorrdy is now teaching a new believers class. We are excited to see the Lord grow all the ministries of the church. We may not have a lot of space, but God continues to bring new faces to the church.

We also participated in the regional young people meeting in Parla. What a tremendous blessing to see 9 churches represented. There were more than 100 young people in attendance. Here we call them “Jovenes”, which covers the age range from 13 to 25. So it covers the teen groups and young adult groups all in one. There were biblical games and trivia, singing, and great fellowship. Pastor Julio Velasquez brought the message, a very needed topic for all the “Jovenes”, purity. We loved seeing old friends and many we had met at the camps this summer. It was a blessing to hear, “Hola! Pastor Larry, ¿Cómo estás?”, from many of the young people from the “Campamento”.

Family:

We celebrated Brenda's birthday in October. For our family it was the smallest celebration we have had, but we are thankful for all who called and loved on her. The huge blessing was her brother called her. She had not spoken to him in many years, and God gave her this huge blessing.

Our children are all doing well. Lily is still in Spain with us. She is in her last year of high school and graduates in May of 2026. Andrew is doing well. Working hard at college in Arkansas and has fully recovered from his bike incident. We are thankful for God's protection. Elisabeth is in her second year in the Bible college in Romania. Jereme and his family are doing wonderful in Alabama. Sarah and her family are also doing wonderful in Missouri. We are so blessed by God's grace and provisions.

Prayers: Visas to be renewed for Brenda and the kids, Timing for the move to Leon, A home in Leon that will accommodate all God has planned for us there, God's clear direction for our children.

Praise: Spain has a new law for religious visas. When Larry renewed, his visa was approved for 4 years instead of 2. We had another church take us on for support, thank you Corinth, MS.
