Birthday Month: Brenda 10/07

Dear Pastors, Family and Friends,

October 2025

“But watch thou in all things, endure afflictions, do the work of an evangelist, make full proof of thy ministry.” (2 Timothy 4:5)

This past month of September, we had a unique experience happen at the church. Sometimes God uses unexpected circumstances to open doors in the ministry. We are in awe of how God used this unique experience to broaden the ministry in Fuenlabrada.

Pastor Jhorrdy received a call from another Missionary that lives here in Spain about 2 Mexican evangelists that would be in Spain for about a week. They were on their way to Africa, where they were scheduled to teach and preach for the next 40 days. Pastor Jhorrdy told this missionary He would be happy to help and they stayed at his home while they were here in Spain.

They wanted to get out and see some sites but also share the gospel while they were in Spain. So, they were able to see Madrid and some other famous things in Spain. We scheduled a time of evangelism for the Friday after they arrived. They went out with Jhorrdy near his home and witnessed to a few people and were surprised by the hardness of the hearts of the people here. Not all, but most did not want to hear anything about God or Jesus.

Friday came, and we gathered at the church. Pastor Jhorrdy, Pastor Ramon, myself, and the 2 evangelists set out in Fuenlabrada to speak to our neighborhood. We walked near the church and spoke to many people who knew who we were and where the church is located. This was a blessing in itself. While one group continued to walk the neighborhood, my group headed to the local park. The 2 evangelists and myself came to a ball court. Setup like a basketball court, but a little wider with metal soccer goals at each end. Remember, soccer or “Fútbol” is king here in Spain. There were many young people there waiting on their turn to play and the 2 men sat down with them and began to strike up conversations.

In the midst of these conversations, a tournament was mentioned. Grand prize was going to be 100 euros. This sparked the interest of everyone there, and we had an impromptu soccer tournament. But for all involved they had to listen to one of the evangelist first. He preached a clear and quick presentation of the gospel and prayed with them before the tournament began. This was a miracle in itself, many of these young people had never heard the gospel. The tournament went well, and we decided to have another one the next day.

Saturday came, and we gathered at the church. Same men, and more from our church. A total of 8 men, 4 ladies, and young people. All the men headed to the park. The ladies and young people walked the neighborhood and then met at the park. Many young people were gathered at the court. Young men and young ladies were there for the tournament. We began with another presentation of the gospel. **Young people raised their hands for salvation.** We are seeing something happen here that we have been praying for. During the tournament, while the other teams are waiting, we are speaking to groups of young people about the Lord. One of the young men from our church, Kevin, is sharing how God has changed his life. He is not much older than most of the young people that are there. God is working a miracle at this park. **More young people raise their hands for salvation.** We gathered names and numbers for follow ups.

Sunday came, and we gathered at the church. 3 young people from the park visited the church! How great is our God! We have since scheduled more activities in the park with the young people. God used a layover and 2 willing servants to open a great door in Fuenlabrada.

Please pray for all the young people who heard the Gospel. Pray for change. Pray for Fuenlabrada.

This is not a typical letter from us, but I felt like this needed to be the focus. Thank you for being faithful to our family and to the work in Spain.
